# REFERRAL PROGRAM

Easy money by making a simple introduction.

Here's how it works...

- **Step One:** refer a client or friend or associate to CCS for anything technology related (Phone, Internet, Cloud, hardware, IT, etc)
- **Step Two:** CCS will reach out and find an open opportunity to sell technology related services to your referral.
- **Step Three:** Become an instant strategic partner of CCS and collect a residual\* for the life of your referrals services.

*Drive more revenue for your business or personal income today!*

\*Definition of residual commission: A monthly paid commission based off a percentage of a monthly invoice.

With over 18 years of experience in Telecom we extend our resources to you and help generate a book of business with real revenue. From small services like basic Comcast cable to complex private WAN and cloud integrations for enterprise size businesses we can offer these services and pay you residually. Call today and lets develop a trusted partnership!
